

MILTON KEYNES MARINA LIMITED

Mooring Deposits – Terms & Conditions

A mooring deposit guarantees a mooring space for a period of 1 year.

The mooring deposit is **non-refundable** as it holds a space in the marina for the Moorer, and therefore restricts the Marina from selling the space to another customer. The mooring space or deposit is non-transferable to any other person, or persons.

Before taking a mooring deposit Milton Keynes Marina requires a Mooring Application form to be completed and signed, accepting the General Mooring Terms and Conditions.

- Mooring Applications Completed (please tick)

- General Mooring Terms and Conditions provided (please tick)

Please keep Milton Keynes Marina fully informed of the date you require the mooring from. All mooring contracts start on the first day of the month.

Kind Regards
